

Ardmore United Methodist Preschool

Ardmore United Methodist Preschool (AUMP) operates as a service to the surrounding communities. The school is housed and sponsored by the Ardmore United Methodist Church. Our Teachers are state certified and our staff is C.P.R. and First Aid trained.

Our school exists for your child. Our desire is to foster, social, emotional, intellectual, and physical growth in each individual. Our program is planned with this goal in mind.

Parents are an important part of our program. Communication between home and school is essential. Please feel free to discuss any questions, concerns, or suggestions with the directors or the chairmen of the P.T.O.

The information in this handbook will hopefully answer any questions you may have throughout the year and make you aware of school policies and procedures.

Please review this handbook and return and sign the response card.

Parents are required to provide snacks for children with any other food allergies. Those snacks only will be distributed to their child. It is the responsibility of the parent to replenish these snacks.

If a child requires an epi-pen at AUMP, it is the responsibility of the parent to provide this, and be sure it is current. Expired date epi-pens will be sent home for the parent to replace immediately.

If an epi-pen must be administered by a staff member, 911 will be called immediately, and then a phone call will be made to the parent.

Arrival and Dismissal

School begins at 9:00. A staff member will meet your child at the car between 8:50 and 9:15 and direct him/her to the classroom. Please be sure that car restraints are disconnected and your child is able to exit the car independently. If your child is unable to do this, please assist him/her. Please enter the parking lot from Argyle Road and exit onto Hood Road. Please leave unfinished breakfast food, pacifiers, etc., in the car. If you arrive after 9:15, please park and escort your child to the classroom and

make his/her presence know to the teacher. We will use the same procedure for dismissal. In order to facilitate dismissal, we ask that you remain in your car and pull into a parking spot after your child has been escorted to the car to buckle seat restraints. It is not the responsibility of the staff member to buckle restraints. Dismissal is 11:00 for Toddlers, 11:20 for Twos, and 11:30 for Threes and Fours. Late fees will be charged after these times. A security system has been installed in the building. If you arrive after 9:15 or before 11:20 or 2:00 you will need to be acknowledged to enter the building.

Birthdays

Birthdays are very special times and we enjoy sharing in the celebrations. Many families send a special snack for birthdays. Please check with your child's teacher sending in a birthday snack. Cakes and cupcakes are not suitable for celebrations at school. Cookies, rice krispie treats, etc. are a good alternative. Please limit the celebration to a special snack keeping in mind that we are a peanut free school. Party bags, balloons, etc. are not permitted. If you would like to participate in the "Birthday Book Club", you may purchase a book or CD to be donated to the school library in your child's name. If you are planning a birthday party outside of school we ask that you mail invitations rather than distribute them at school.

Car Pools

Please inform us in writing when car pools have been formed. If on occasion your child will be picked up by anyone other than a parent, or regular car pool driver, we must have written permission. Please include the name of the person picking up, the car they will be driving, and relationship to the child.

Cell Phones

Please observe a "no cell phone" rule when dropping off and picking up your child. Our parking lot will be a safer and more efficient place if you defer your phone use until later.

Student Needs and Evaluations

We at AUMP will try to meet the needs of every child mentally, socially, and emotionally. If we feel we are unable to meet the needs of a child, the child's parent/s may be asked to seek services from sources such as an evaluation from a neurodevelopment pediatrician, and/or the Intermediate Unit for the county in which the child resides.

If the child's needs are beyond what we can provide, it is at the discretion of the Directors to determine if AUMP is the best placement for the child.

children. We do encourage you to apply sunscreen to your child before coming to school if needed.
